

HVAC Technician

ABOUT CLIMA DESIGN TECHNOLOGIES LTD

Clima Design Technologies Ltd is a Canadian distributor specializing in innovation within the HVAC industry. We are committed to delivering solutions that enhance air quality, improve energy efficiency, simplify installation, and reduce energy costs.

Our focus is on providing high-quality products, efficient system design, and sharing our technical expertise. We offer heating and cooling solutions with a strong customer-focused approach.

OVERVIEW

Clima Design Technologies is growing fast, and we're looking for a **HVAC Technician** who's also ready to support **warehouse and logistics operations**. This is a great opportunity for someone with solid HVAC experience who enjoys a hands-on role in a dynamic, fast-paced environment.

This is a hybrid position where you'll split your time between helping with technical service and testing, managing inventory, and supporting shipping/receiving. No two days are the same and you'll get valuable experience across multiple areas of the business.

RESPONSIBILITIES

HVAC Support

- Assist with inspecting, testing, and minor repairs of HVAC units (training provided)
- Help log returned units and support our service technician as needed
- Learn diagnostic and troubleshooting skills on the job

Warehouse & Logistics

- Receive incoming shipments and check for accuracy
- Organize and label products and parts
- Pick, pack, and prepare orders for shipping

- Help maintain a clean and organized warehouse
- Occasionally assist with delivery logistics or pickups

What We're Looking For:

- HVAC training or experience is preferred.
- Comfortable using tools and working around equipment
- Physically fit and able to lift HVAC units and large boxes
- Strong attention to detail and good communication skills
- Willingness to learn and take on different tasks as needed
- Ability to manage multiple priorities and meet deadlines
- Strong communication and interpersonal skills
- Ability to work independently and collaborate with cross-functional teams
- Forklift experience is a plus (or willing to learn)
- Valid Class 5 driver's license
